Miss Alice Fisher, born in England June 13, 1839, trained at the Nightingale Training School and Home for Nurses. Between the years 1876 and 1888, Alice Fisher reformed the nursing services of four important general hospitals – a feat that has probably never been equaled by any other woman, according to Sir Zachary Cope, M.D., - author of Florence Nightingale and the Doctors.

### **The Model of Whole-Person Caring**

Nurses strive to provide comfort to their patients in whatever environment they practice. A key approach to providing for physical and emotional comfort is to create an environment conducive to healing – a major principle of nursing first stated by Nightingale (1859).Nightingale's philosophy was to place the patient in the best condition for the natural processes of healing to occur.
