Canine Body Language is an exhaustive photographic documentation of dogs in their day-to-day activities: dogs alone, dogs together, dogs in the water, dogs having fun, dogs that are stressed and dogs in relation to human beings. In addition to the incredible photographs, author Brenda Aloff gives the reader detailed descriptions of what is happening in each photograph so that you can build your canine vocabulary.

DOG BODY LANGUAGE Her research has helped trainers and owners the world over develop deeper understanding with their dogs. Turid has identified what she terms â€˜Calming Signalsâ€™ in dogs. There are visual cues that dogs use to calm themselves or something/someone else in the environment. Calming signals are used as a way of avoiding conflict.
