Advance care planning is not just about old age. At any age, a medical crisis could leave you too ill to make your own healthcare decisions. Even if you are not sick now, planning for health care in the future is an important step toward making sure you get the medical care you would want, if you are unable to speak for yourself and doctors and family members are making the decisions for you.

Advance Care Planning: Healthcare Directives

Acknowledgments. The content for this planning guide was adapted from the Accessible Temporary Event, A Planning Guide, published in 1998 by the Center for Universal Design at North Carolina State University in collaboration with the Southeast ADA Center (formally named the Southeast DBTAC). The authors of this original guide generously permitted substantial revisions to content to ensure ...
