Have you ever tried your friend's favorite homeschool planner or planning method and it was a total flop for you?. It's not because there's something wrong with you. More likely, it was a process or a planner that just wasn't a good fit for the way your brain works.

The Best Homeschool Planner For Your Personality Type

Finding the 'right' curriculum can be daunting... Beverley summarises the most popular approaches and guides you to asking the kind questions that will help you determine if it is the one that will work for your child and suit your family's situation.
