because vampire bites contain endorphins that feel really, really good and can become addictive. I know this from personal experience. These humans are called feeders and are essentially vampire-bite junkies. Still, keeping feeders around is better than the way the Strigoi do things, because, as you might expect, they kill for their blood.

The Vampire Academy series is adored by many, many readers. I liked the first book, Vampire Academy, especially the end, and was intrigued enough to put Frostbite, the follow up, on my to be read list. It wasn't at the top of my list, but man, after reading it, it should have been. Frostbite by Richelle Mead takes place soon after Vampire Academy.
