The Key Steps for Leading Successful Change Initiatives

Since the mid-2000s, organizational change management and transformation have become permanent features of the business landscape. Vast new markets and labor pools have opened up, innovative technologies have put once-powerful business models on the chopping block, and capital flows and investor demand have become less predictable.

Ridicule (French pronunciation:) is a 1996 French film set in the 18th century at the decadent court of

Versailles, where social status can rise and fall based on one's ability to mete out witty insults and avoid ridicule oneself. The story examines the social injustices of late 18th-century France, in showing the corruption and callousness of the aristocrats.
