A shoulder angel is a plot device used for either dramatic or humorous effect in animation and comic strips (and occasionally in live-action television). The angel represents conscience and is often accompanied by a shoulder devil representing temptation. They are handy for easily showing inner conflict of a character.

Plot device - Wikipedia

Stylistics is a valuable if long-winded approach to criticism, and compels attention to the poem's details. Two of the three simple exercises performed here show that the poem is deficient in structure, and needs to be radically recast.
