I have a new crochet pattern for baby sandals!!! You might know my Flower Power Sandals pattern, this started as a simple variation of thatâ€™. and ended as a complete redesign!. These sandals are, I think, a great improvement, they are double soled for sturdiness, a better fit, less stitching together is required and I am actively working on the patterns for multiple sizes.

Embroidery in India includes dozens of embroidery styles that vary by region and clothing styles. Designs in Indian embroidery are formed on the basis of the texture and the design of the fabric and the stitch. The dot and the alternate dot, the circle, the square, the triangle, and permutations and combinations of these constitute the design.
